

JOY BELLS

Joy Bells, directed by Anne Kiviko, was formed in 1994 as the first English hand bell choir for Christus Victor. The ensemble is currently comprised of 13 full time members and 6 substitutes, all of whom work and play with a dedicated enthusiasm for bringing God's wonderful message to all with this unique sound.

Originally a Three Octave 37 bell choir, the ensemble ran a fundraiser to expand to a Four Octave 49 bell choir to play an even greater variety of music. Hand Chimes were generously donated in the late 1990s to further enhance the sounds of faith.

The official "Joy Bells" name was selected in 2008 to reflect the hand bells objective of bringing joy and reflection to all those listening to the wonderful music played.

The group's repertoire has grown over the years to include many variations of both religious and secular music.

They meet every Wednesday at 6:30 pm in the Inspiration room at Christus Victor. Come join the JOY!!
